## 6. ADVERTISED EDUCATOR POSTS: SELECTION- AND APPOINTMENT PROCESSES

- 6.1 Please note that all processes pertaining to the appointment of educators in institutions must be in line with section 6(3) of the Employment of Educators Act, 1998, as amended by section 7 of the Education Laws Amendment Act, No 24 of 2005.
- 6.2 It should further be noted that the power to appoint school-based educators in promotional posts on post levels 2 to 4 is currently delegated to District Directors in the Mpumalanga Department of Education.
- 6.3 Any appointment, promotion or transfer to any post on the educator establishment of a public school may only be made on the recommendation of the governing body of the school, and if there are educators in the Mpumalanga Department of Education who are in excess of the educator establishment of a public school due to operational requirements, that recommendation may be made from candidates identified by the Head of Department, who are in excess and suitable for the post concerned.
- 6.4 Only legally constituted school governing bodies may make recommendations for appointment. Until the relevant governing body is established, the appointment, promotion or transfer in a temporary capacity to any promotional post on the educator establishment must be made by the District Director where a new public school is established in terms of the South African Schools Act, 1996, and any applicable provincial law.
- 6.5 In considering the applications, the governing body must ensure that the principles of equity, redress and representativity are complied with, and the governing body or council **must** adhere to –
- the democratic values and principles referred to in section 7(1) of the Employment of Educators Act, 1998, i.e. equality, equity and the other democratic values and principles which are contemplated in section 195(1) of the Constitution of the Republic of South Africa, 1996, and which include the ability of the candidate, and the need to redress the imbalances of the past in order to achieve broad representation;
  - any procedure collectively agreed upon or determined by the Minister for the appointment, promotion or transfer of educators;
  - any requirement collectively agreed upon or determined by the Minister for the appointment, promotion or transfer of educators which the candidate must meet;
  - School Governing Bodies are required to include a subject specialist (Curriculum Implementer – responsible for the specific subject(s)) from the District Office as resources person for the selection processes of Head of Department posts to assist with the content knowledge of the subject(s);
  - a procedure whereby it is established that the candidate is registered or qualifies for registration as an educator with the South African Council for Educators; and
  - Procedures that would ensure that the recommendation is not obtained through undue influence on the members of the governing body or the council, as the case may be.
- 6.6 The governing body must ensure that the principles of equity are taken into account with a view to specifically address the following areas of under- representation as identified in the Departmental Employment Equity Plan:
- 6.6.1 The provincial Gender ratio reveals that women make up 51% of the population and Men 49%. The Gender profile for teachers in the province reveals that women make up two thirds of the teaching workforce in the province, while men represent only one third. Despite this the analysis of gender equity over post levels indicates under-representation of women in Deputy Principal - and Principal posts.
- 6.6.2 The Department needs to work toward achieving 50% representation of women in these post levels, and the application of the Equity plan must at the same time be managed in such a way that male teachers do not feel threatened in terms of proceeding along a career path within the MDE. The status of the respective districts should be noted for purposes of benchmarking the districts' progress towards achieving the 50% gender equity goal in respect of Deputy Principal - and Principal posts:
- 6.6.3 The Department should furthermore adhere to the national target that **2%** of all staff should consist of people with disabilities. In this regard all offices and levels are not even close to compliance with said national target, and every opportunity to employ or promote a person with disability should be utilised to ensure that people who were discriminated against in the workplace in terms of disability, are empowered to enable them to gain access to and compete for posts, including those at the highest level.
- 6.7 **SGB's are reminded that educator posts advertised in this Vacancy List are all created in terms of the Employment of Educators Act, 1998 (Act 76 of 1998); and only unions party to the Educator Labour Relations Council (ELRC) should be invited as observers to the selection processes. Please note that the observer status should be based on the status of the post (i.e. educator or non-educator) and not on any member's personal affiliation, and only teacher unions should be invited to observe proceedings in respect of educator posts.**
- 6.8 On conclusion of the short listing- and selection processes as prescribed, the governing body must submit to the District Director through the line function, a list of at least three names of recommended candidates in order of preference; or fewer than three candidates in consultation with the District Director.

- 6.9 When the District Director considers the recommendation contemplated in paragraph 7.8, he or she is required, before making an appointment, to ensure that the governing body has met the requirements in paragraphs 7.5 and 7.6. If the governing body has not met these requirements the District Director must decline the recommendation.
- 6.10 Despite the order of preference of the governing body's recommended candidate list, the District Director may appoint any suitable candidate on the list.
- 6.11 If the District Director declines a governing body's recommendation, he or she must consider all the applications submitted for the post, apply the requirements in paragraphs 7.5 and 7.6, and either appoint a suitable candidate in a temporary capacity with a view to making that appointment permanent, or re-advertise the post. If the District Director decides to appoint one of the applicants - other than a person on the list recommended by the governing body - in a temporary capacity, the governing body or council may appeal the decision of the District Director to the MEC within 14 days. This appeal must be finalised by the MEC within 30 days. If no appeal is lodged within 14 days, the District Director may convert the temporary appointment into a permanent appointment in terms of section 6B of the Employment of Educators Act, 1998, as amended.

Medically boarded applicants must first be declared medically fit before they can apply for employment. Please note that applicants, who have already reached the compulsory retirement age of 65, will not be considered. The Department reserves the right to verify the qualifications of recommended candidates prior to the issuing of an offer of appointment. Foreign qualifications are subject to evaluation by the national Department of Education in Pretoria.

### 8. MINUTES OF PROCEEDINGS – ALL ADVERTISED POSTS

The minutes of the selection and interviewing process serves as a record of such proceedings as well as the reference documents in case of any grievances. The Head of Department or the delegated official needs to ascertain that all selection and interviewing processes were conducted fairly and in accordance with the negotiated terms of reference, before granting approval. Minutes of the selection and interviewing process should contain the following:

- Particulars of advertised post
- Composition of selection committee (names and capacity)
- Confirmation of legality of Governing Body
- Schedule of all applicants
- Minutes of short-listing meeting, which should include the post profile, the final shortlist, as well as the reasons why applicants were eliminated from the shortlist (e.g. do not meet the requirements in terms of qualification/experience, or do not compare with the short listed candidates in terms of qualifications/experience, etc.)
- Date and venue of interviews
- Discussion of interviewed candidates who are recommended to be potential candidates, in preferential order with due motivation
- Discussion of interviewed applicants who are eliminated with due motivation
- Final recommendations of Governing Body in order of preference
- Panel members must initial all pages of the minutes and sign the minutes
- Declaration by either the Educator union representatives or Public Service union representatives, as applicable, that the process of short listing and interviewing was fair.

### 9. SUBMISSION OF DOCUMENTS - ALL ADVERTISED POSTS

A governing body shall make a recommendation **within two months** from the date on which the governing body received the scheduled applications from the district office, failing which the District Director may make an appointment without such recommendations. In view of the continued delays experienced in regard to the filling of advertised posts, District Directors and Circuit Managers are required to apply this provision immediately and without fail in regard of posts advertised in this Vacancy List.

The following documents should be submitted to the relevant Circuit Manager:

- Minutes of short listing and interviewing proceedings (as set out in paragraph 9)
- Original applications of those applicants who were recommended for appointment on the Governing Body's preferential list as candidates No 1 to No 3, together with certified copies of their personal documents which should also include their identity documents, qualifications and SACE registration certificates.

If the Circuit Manager disagrees with a recommendation made by the selection committee, he/she must attach a full motivation regarding the objection together with all the documentation submitted by the Governing Body. Circuit Managers must - without exception - submit recommendations from Governing Bodies to the district HR component **within 10 working days** of receipt thereof.

### 10. NOTIFICATION OF APPLICANTS – ALL ADVERTISED POSTS

The relevant District HR Component will in all cases inform successful candidates, and copies of the offer letters will be forwarded to the school in question through the Circuit Manager.

The institution/SGB will inform all unsuccessful applicants in writing, within eight weeks of an appointment being made.

Note: Principal posts - All enquiries should be referred to the relevant Circuit Manager as indicated.
