NON-FINANCIAL PRELIMINARY (PERFORMANCE) INFORMATION FOR PROVINCIAL DEPARTMENTS – SECOND QUARTER 2015/16

The tables below present *consolidated second quarter preliminary datasets* of performance information for ten sectors (Sports, Social Development, Safety and Liaison, Roads and Transport, Public Works, Environmental Affairs, Health, Education, COGTA and Agriculture) in the Mpumalanga Provincial Government.

The information gives an **overview of provincial departments' performance** against predetermined objectives and targets set in the annual performance plans.

In addition, the Heads of these provincial departments have provided *official sign-off* on the correctness of the data relating to each department.

The **data** is **preliminary** and the second quarter validated data will be published at the end of the third quarter.

Therefore, the data should be regarded as "soft" – *indicative of trends* rather than absolute measures of performance.

It is envisaged that the *completeness and reliability* of the information supplied by provincial departments for all these sectors will improve with the result that this information will become increasingly useful for holding provincial government accountable.
