## **MEDIA ADVISORY**

**SUBJECT : MEC TO ADDRESS THE ZION APOSTOLIC CHURCH IN  
JERUSALEM EASTER CONFERENCE**

---

The MEC for Education Mrs Reginah Mhaule will attend the Zion Apostolic Church in Jerusalem Easter Conference as the guest speaker for the day. The conference is scheduled to take place on:

**Date : 29 March 2013**

**Time : 09h00**

**Venue : John Mdluli Primary School, Matsafeni in the Mbombela Municipality**

The conference is aimed at commemorating the death of Jesus Christ and the significance the resurrection has in the lives of Christians.

It is expected that following this interaction, the religious community will be involved in supporting schools and improving the delivery of education in the province.

The MEC has always emphasised the important role that the religious community plays in the delivery of education.

*"We value the role that the religious community can play in ensuring that learners and educators are motivated throughout the year. Religious community may also offer counselling and spiritual strength to the school community. It is therefore based on this opinion that this conference has been prioritised,"* said MEC Reginah Mhaule.
